Dear Ms. Tiemeyer:

On behalf of the Child and Family Services of Michigan, Inc. Board of Directors and staff, I would like to thank you and Michigan Wireless Association for the \$15,000 donation towards Operation Good Cheer.

We are grateful for the continuous support and honored to be the chosen recipient of this donation raised by Michigan Wireless Association's Annual Golf Outing for 2013, for the fourth year in a row.

During the past four decades, nearly 70 thousand children, teenagers and adults with disabilities have had their Christmas wishes come true. It is because of people like you and organizations such as Michigan Wireless Association, that Operation Good Cheer is a success and still going after 42 years. With this donation, the program will continue to grow and make lasting holiday memories for all of those who are impacted by the spirit of Operation Good Cheer.

Again, I would like to thank you and Michigan Wireless Association for your generosity and for choosing Child and Family Services of Michigan, Inc.

Sincerely,

Sherry Brackenwagen
Administrative Director
